Biography

Robert McNally is founder and President of The Rapidan Group. Mr. McNally has over 20 years government and market experience as an international energy market consultant, investment strategist and White House policy official. From 2001 to 2003, Mr. McNally served as the top international and domestic energy adviser on the White House staff, holding the posts of Special Assistant to the President on the National Economic Council and, in 2003, Senior Director for International Energy on the National Security Council. He earned his double major BA/BS in International Relations and Political Science from American University and his MA in International Economics and American Foreign Policy from Johns Hopkins Paul H. Nitze School of Advanced International Studies (SAIS).
