

TACKLING CLIMATE CHANGE FOR SUSTAINABLE LIVELIHOOD IN ISLAND AND COASTAL COMMUNITIES

Date & Time: December 9, 2023, 2 – 3 pm local time

Venue: SDG Pavilion, B7-88

Language: English

Purpose:

The event is intended to articulate challenges, good practice and potential of future partnership for achieving sustainable livelihood through tackling climate change, adapting to climate change impacts and promoting sustainable fisheries, aquaculture and blue economies in island and coastal communities.
